Osmo Mobile 2 Release Notes

Date :	2018.02.07
Firmware :	v2.1.0.20
DJI GO App iOS :	v3.1.27
DJI GO App Android :	v3.1.28

What's New?

- Fixed an issue that caused a reduction in power when the Osmo Mobile 2 was still connected to the power source after it had been fully charged.

Notes:

- If the firmware update fails, restart the Osmo Mobile 2 and DJI GO, then try updating again.
